

# Our Sisters & Brothers in Haiti

## Sè nou yo ak frè yo an Ayiti

Education | Health Care | Development

For over two decades St. Bridget's Parish and the Cathedral of the Sacred Heart, Richmond have shared a "Twin Parish" in Carissade, Haiti. In solidarity we've provided support for education, health care, and economic development projects. This is our opportunity to serve across the world, to reach more children of God. Please help us continue this work.
